Hi Everyone,

Since we will not be conducting our Tier 1 call prior to the next JRA meeting (December 2nd and 3rd), I wanted to take this opportunity to make sure the agency attorneys are tracking the latest draft of the water quality trading best practices sent out to the agencies a couple weeks ago (see attached). This is a 90+ page document that will no doubt go through a number of changes based on feedback in the next JRA meeting. That said, if you have the time the agencies would likely benefit from your thoughts, especially on the Joint Statement on Page 2. If you have any questions please feel free to forward them along.

Cheers,

Joe
